

CLEAN CLAIMS

Sub D1
C1
31. (Amended) Apparel to be worn by a person, comprising:

a panel formed of a fabric layer and an integral display layer attached to said fabric layer and formed of a light emitting polymer material suitable to generate electronic images responsive to electrical signals, said panel being flexible; and
a control member generating said electrical signals for said display layer.

✓ Cancel claim 35.

Sub D2
C2
49. (Amended) Apparel for a wearer comprising:

a clothing article constructed and arranged to be worn on the body of said wearer; said clothing article including a panel with a fabric layer;
an electronic display layer incorporated into said fabric layer; said fabric and electronic display layer being flexible and being made of a light emitting polymer, said electronic display layer being arranged and constructed to generate images in response to electrical signals; and
a control member coupled to said electronic display layer and arranged to generate said signals.

✓ Cancel claim 50.

Sub D3
C3

60. (Amended) Apparel for a wearer comprising:

a clothing article constructed and arranged to be worn on the body of said wearer, said clothing article including an integral panel forming an electronic display, said panel being flexible and being made of a light emitting polymer; and

a control member coupled to said electronic display and arranged to generate signals corresponding to images shown on said electronic display.

Sub D4
C4

62. (Amended) Apparatus for playing a war game comprising:

a clothing article constructed to be worn by a participant in said war game;

a flexible display formed on said clothing article of a light emitting polymer and arranged to display selectively one of a plurality of images;

a controller generating signals for said display, said signals defining said images; and

a gun coupled to said controller, said gun generating a beam when activated by said participant.
